

Greetings From Premier Ghiz

On behalf of the Province of Prince Edward Island, I am pleased to have the opportunity to support Canadian families through the “National Family Dinner Night”.

I commend M&M Meats for highlighting the important role that spending time together as a family plays in building strong and healthy relationships. From my own childhood I have fond memories of the special times spent with family at dinnertime, and today as a proud father I cherish every opportunity I get to spend time with my wife Kate and two daughters Julia and Emma, by sharing in their laughter and love.

On behalf of families across Prince Edward Island I wish you the best of luck with this year’s initiative.
